Program information on favorite actors of users sent to mobile phone schedule application, free of charge

Interactive Program Guide, Inc. ("IPG," based in Chuo-ku, Tokyo, President: Keisuke Toji) and D2 Communications, Inc. ("D2C," based in Minato-ku, Tokyo, President: Akihisa Fujita) jointly launched the 'Talent TV iSchedule,' which provides TV program information for the 'iConcierge®' lifestyle-support service provided by NTT Docomo.

'Talent TV iSchedule' is a service that automatically sends TV program information to 'iSchedule', a feature of the iConcierge service, based on TV actors that users have registered. This allows users to check programs with their favorite actors, as well as broadcast times, directly from their schedule application, free of charge.

This service will be provided as an expansion of the 'G-GUIDE MOBILE' EPG service.
